

Where is your faith leading you?

Discipleship calls us to go against the flow. *Are you ready to J-Walk?*

College JusticeWalking, or J-Walking, is an unconventional, semester-long journey into engaged spirituality. Over the course of 10 weeks, J-Walkers dialogue, reflect, and apply Catholic Social Teaching to their lives. The J-Walking process includes the following components:

- Seven sessions
- Every other session at a local social service agency
- Opening and closing retreats
- Group reflection on a few selected texts
- Justice Pilgrimage
- Focus on relationships
- Spiritual practices that apply gospel teachings to life choices
- Prayer, ritual, and dialogue

"J-Walking goes far beyond seven sessions. It is a way of life. It changes the way you live your life!"

Allison Ferry,
J-Walker
